

**Loria Pharmaceutical, LLC**  
**POLICY**

Policy No.	101
Subject	Returns and Credits
Effective Date	3/1/2021

**SUMMARY, DESCRIPTION:**

Loria Pharmaceutical, LLC (“Company”) has determined the Beyond Use Date for an IP Dose to be forty-five (45) days of frozen storage from the date of compounding.

Should a Licensee not use the full quantity ordered and paid for, the Licensee may notify the Company within five (5) days from the Beyond Use Date and, upon return of the unused IP Doses, the Company shall replace the unused IP Doses without charge when the subsequent IP Dose order is placed.

This policy shall also apply to IP Doses received by the Licensee that are adulterated or otherwise damaged.

All IP Doses returned for credit and the application of the credit are subject to inspection, testing and certification of the returned IP Doses.

This policy shall otherwise not apply to allow for refunds of IP Doses in all other circumstances.
